Final Approval/Promulgation

Plan Development

- **Complex Coordinated Terrorist Attack (CCTA)** - Currently under the initial revision stage and being built upon its original annex; developing planning workshop.
- **Cyber Incident Coordination** - Adding final appendixes to begin the signature process.
- **Disaster Housing** - Short term housing draft is in progress along with applicable training.
- **Disaster Volunteer Management** - Reviewing final edits and comments.
- **Evacuation** - Continuing monthly planning group meetings and identifying solutions to outstanding issues in the plan.
- **Family Information Center (Joint Plan With CoA)** - In the final editing stages and expecting partner reviews within the next week.
- **Fixed Nuclear Facility** - Initial draft is close to completion with continued communication with external partners.
- **Scarce Resource Allocation** - Currently undergoing legal review of allocation methodology.
- **THIRA/SPR** - Developing Scenario #3 with WSSC Rep.

Initial Outline/Drafting

- **Emergency Operations Plan (EOP)** - Began internal discussions with Core Planning Team, including timeline and objectives for expected year-long revision.
- **Family Assistance Center** - Initial research is being conducted.
